

If only one workshop required, see if a nearby school can share the day. Or request list of available share days via email [info@forensicfun.com](mailto:info@forensicfun.com)

One school in morning, one in afternoon.  
Presenter travels between the schools.

We book as a '*2 workshop day*' & split the bill.  
Students help set up/pack down at both schools.

**If you are a small school and have significantly less than 60 participants, talk to us !**
